**Attention Health First Network Physician Colleagues**

**Re: History and Physical Form changes under the 8/1/11 Transition of WellCare Contract Functions to WellCare Health Plan**

Dear HFN Physician Colleague,

Health First Network has been notified by WellCare Health Plan that WellCare does not and will not utilize HFN's 2-page H&P Form, nor does WellCare pay any type of financial incentive to Physicians to complete an annual H&P Form on their members.

Please discontinue use of the HFN/WellCare H&P Form as of dates of service later than 07/31/11.

As Health First Network receives any additional information on contract changes, we will notify you. Health First Network also encourages you to check the website for the frequently asked questions list (FAQ's) that is located on the hfni website. Thank you.

Sincerely,
